

Left: Eclipse leaning rail with Black HDPE slats and White Aluminum powder coated frame.
Right: Beam bench with Brown HDPE slats and Traffic Black powder coated frame.

HDPE Color Options

Brasco offers the flexibility of mix-and-match finishes for shelter frames, roofs and accessories. Select from the below standard colors for HDPE slats for both benches and leaning rails. For added branding, we offer CNC engraving for graphics and custom logos (See above COTA logo on an Eclipse wall mounted leaning rail).

Samples are available upon request.

Standard HDPE Colors

Cedar

Grey

Brown

Black
