- ▶ Low Maintenance
- ▶ Convenient Options
- ▶ Affordable Pricing
- ▶ Custom Styles Available

Brasco Smoking Shelters are constructed of 1/8" Heavy-Wall Extruded Aluminum with Bronze Anodized Finish. Natural lighting is provided through the attractive acrylic domed roof. Occupant security is assured with 1/4" thick tempered safety glass for maximum visibility. Aluminum bench seating is standard. Units are shipped to you factory pre-fabricated in wall and roof sections for easy and fast installation, with common tools. Installation hardware and detailed instructions come with each shelter. Options include lighting, heat, ventilation, base skirts, commercial entrance doors, flat, vaulted, and peaked roofs, custom paint colors, operable windows, tinted glazing, and more.

We can meet your design and appearance requirements!
