

## Standard Finishes: Shelter Frames & Accessories

Below are common powder coat colors, specialty powder coat colors and two anodized aluminum color options. Please note that anodizing may not be an option with all designs, however we offer powder coat finishes that match both clear and bronze anodized.

Brasco offers standard and anti-graffiti powder coating; all done in-house to ensure total quality control. We offer color matching, mix-&-match accenting and painted artwork overlays. Samples are available upon request.

Interlude shelter powder coated Reseda Green.
