

# BENCHES

## Freestanding and Wall-mounted Aluminum Benches

Brasco's benches are made with top grade aluminum and / or recycled HDPE, so will never rust. All benches are designed with tamper resistant hardware and can be surface or inground mounted. Select from a variety of HDPE and powder coat colors for tailored branding. Brasco offers complementary for HDPE and perforated aluminum bench seating. Benches are also available with or without backs and arm rests, as specified below.

### Bench Seat Material Options

Black HDPE (HB) Cedar HDPE (HC) Grey HDPE (HG) Perforated Alum. (P)

### Optional Add-ons

CNC Engraved Logo

BE-BL-6-HB-A-0 | LED Beam bench with Black HDPE slats and White Aluminum powder coated armrests. All benches with HDPE slats or perforated aluminum seating are available with routed agency branding as shown here.

Eclipse | BE-EC-6-HB-A-0

### Eclipse Bench

Freestanding bench with welded frame and 2" round tube legs. Available with HDPE slats or perforated aluminum seating. Backrest not available.

BE	Model	L	Seat Material	Armrest	Backrest
EC		4	P = Perforated Aluminum	0 = None	0 = None
		6	HB = Black HDPE Slats	A = Armrests	
		8	HC = Cedar HDPE Slats		
		10	HG = Grey HDPE Slats		

Ordering Example: BE-EC-6-H1-A-0

Contour | BE-CO-8-P-A-0

### Contour Bench

Freestanding bench with welded 2" round tube frame and armrests. Available with perforated aluminum seating. Backrest not available, and armrests are integral to design.

BE	Model	L	Seat Material	Armrest	Backrest
CO		4	P = Perforated Aluminum	A = Armrests	0 = None
		6			
		8			

Ordering Example: BE-CO-8-P-A-0

Curveline | BE-CL-4-A-A-0

### Curveline Bench

Freestanding bench with 2" round tube frame and armrests. Available with HDPE slats, aluminum slats or perforated aluminum seating. Backrest is available, and armrests are integral to design.

BE	Model	L	Seat Material	Armrest	Backrest
CL		4	A = Aluminum Slats	A = Armrests	0 = None
		6	P = Perforated Aluminum		BK = Backrest
		8	HB = Black HDPE Slats		
		10	HC = Cedar HDPE Slats		
			HG = Grey HDPE Slats		

Ordering Example: BE-CL-4-A-A-0

# BENCHES

## Freestanding and Wall-mounted Aluminum Benches

Interlude | BE-IT-4-P-0-0

### Interlude Bench

Freestanding bench with welded cast frame. Available with perforated aluminum seating and optional armrests. Backrest not available.

BE	Model	L	Seat Material	Armrest	Backrest
	IT	3	P = Perforated Aluminum	0 = None	0 = None
		4		A = Armrests	
		6			

Ordering Example: BE-IT-4-P-0-0

Beam | BE-BE-6-HR-A-0 (HR slats discontinued for this model)

### Beam Bench

Freestanding bench with welded beam frame and armrests. Available with HDPE slat seating. Backrest not available. Armrests are integral to design.

BE	Model	L	Seat Material	Armrest	Backrest
	BE	6	HB = Black HDPE Slats	A = Armrests	0 = None
			HC = Cedar HDPE Slats		
			HG = Grey HDPE Slats		

Ordering Example: BE-BE-6-H4-A-0

LED Beam | BE-BL-6-HB-A-0

### LED Beam Bench

Freestanding bench with welded beam frame and armrests. Available with HDPE slat seating and AC powered LED downlighting. Backrest not available. Armrests are integral to design.

BE	Model	L	Seat Material	Armrest	Backrest
	BL	6	HB = Black HDPE Slats	A = Armrests	0 = None
			HC = Cedar HDPE Slats		
			HG = Grey HDPE Slats		

Ordering Example: BE-BL-6-H1-A-0

Aspen | BE-AS-5-HR-A-0

### Aspen Bench

Freestanding bench with HDPE slat seating and endcap armrests. Available only with Brown HDPE slat seating. Backrest not available. Armrests are integral to design.

BE	Model	L	Seat Material	Armrest	Backrest
	AS	5	HR = Brown HDPE Slats	A = Armrests	0 = None

Ordering Example: BE-AS-5-H4-A-0

Platform | BE-PL-8-A-0-0

### Platform Bench

Freestanding bench, available only with aluminum slat seating. Consider a Woodgrain powder coat color for the bench slats, as shown. Backrest not available.

BE	Model	L	Seat Material	Armrest	Backrest
	PL	4	A = Aluminum Slats	0 = None	0 = None
		6		A = Armrests	
		8			
		10			

Ordering Example: BE-PL-8-A-0-0

# BENCHES

## Freestanding and Wall-mounted Aluminum Benches

Advertising | BE-AD-6-HB-A-BK

### Advertising Bench

Freestanding bench with advertising backrest. Available with perforated aluminum seating or HDPE slats, and optional armrests.

BE	Model	L	Seat Material	Armrest	Backrest
	AD	6	P = Perforated Aluminum	0 = None	BK = Backrest (Advertising)
			HB = Black HDPE Slats	A = Armrests	
			HC = Cedar HDPE Slats		
			HG = Grey HDPE Slats		

Ordering Example: BE-AD-6-HB-A-BK

Wall-mounted | BE-WM-6-A-0-BK

### Wall Mounted Bench

Wall-mounted bench, available with HDPE or aluminum slat seating with optional armrests and backrest.

BE	Model	L	Seat Material	Armrest	Backrest
	WM	6	A = Aluminum Slats	0 = None	0 = None
		8	HB = Black HDPE Slats	A = Armrests	BK = Backrest
			HC = Cedar HDPE Slats		
			HG = Grey HDPE Slats		

Ordering Example: BE-WM-6-A-0-BK

Pedestal | BE-PE-4-A-A-BK

### Pedestal Bench

Freestanding bench available with HDPE or aluminum slat seating with optional armrests and backrest.

BE	Model	L	Seat Material	Armrest	Backrest
	PE	4	A = Aluminum Slats	0 = None	0 = None
		6	HB = Black HDPE Slats	A = Armrests	BK = Backrest
		8	HC = Cedar HDPE Slats		
		10	HG = Grey HDPE Slats		

Ordering Example: BE-PE-4-A-A-BK

SolStop® | SK-SO-20-9-2-S-0

### SolStop® Bench

Bench add-on to our SolStop® solar powered LED push button light, available only with perforated aluminum seating.

BE	Model	Panel	Pole	Bench	Info Display	ADA Sign
	SO	20 = 20W	0 = None	0 = None	0 = None	0 = None
			9 = 9' H	1 = One Seat	S = Static	B = Braille
			12 = 12' H	2 = Two Seats	D = DBS-10	

Ordering Example: SK-SO-20-9-2-S-0

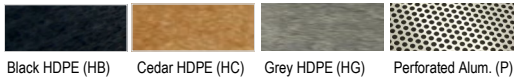

# LEANING RAILS

## Surface-mounted or Wall-mounted Aluminum Rails

Brasco's leaning rails can be surface mounted or wall-mounted onto a column or wall. We offer the standard lengths below and custom lengths are possible upon request.

Our leaning rails are designed with tamper resistant hardware, top grade aluminum and recycled HDPE. They're ADA compliant and measure 32 inches on center from the ground. Select from a variety of HDPE and powder coat colors for tailored branding. As with our benches, all leaning rails are available with complementary CNC logo engraving to further market your brand.

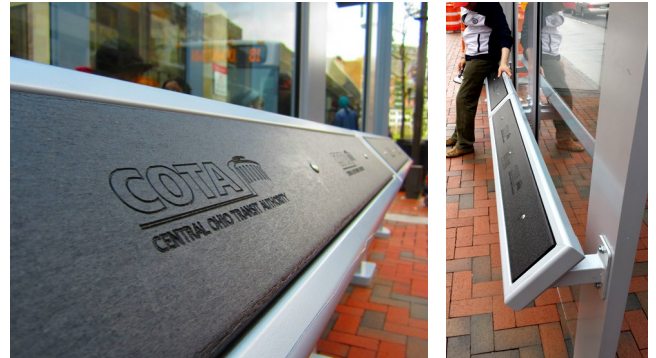

### Rail Material Options

Black HDPE (HB) Cedar HDPE (HC) Grey HDPE (HG) Perforated Alum. (P)

### Optional Add-ons

- CNC Engraved Logo

LR-EC-10-HB-C-0 | Column mounted Eclipse leaning rail, powder coated in White Aluminum with Black HDPE slats. All leaning rails with HDPE slats or perforated aluminum are available with routed agency branding as shown here.

### Eclipse Leaning Rail

Powder coated aluminum rail, available with HDPE slats or perforated aluminum, can be freestanding or wall mounted, with the choice of round or square legs. Welded base plate, not adjustable. Models longer than 6' include 3 legs. No (0) columns legs denotes a wall mounted model.

LR	Model	L	Rail Material	Mounting	Column Legs
	EC	4	P = Perforated Aluminum	S = Surface	0 = None
		6	HB = Black HDPE Slats	C = Column	R = Round
		8	HC = Cedar HDPE Slats		S = Square
		10	HG = Grey HDPE Slats		

Ordering Example: LR-EC-6-P-S-S

Eclipse | LR-EC-6-HB-S-S

Eclipse | LR-EC-6-P-S-S

### Contour Leaning Rail

Powder coated aluminum 4.5" round horizontal rail, can be freestanding or wall mounted, with 4" round legs. Welded base plate, not adjustable. Models longer than 6' include 3 legs. No (0) columns legs denotes a wall mounted model.

LR	Model	L	Rail Material	Mounting	Column Legs
	CO	4	T = Aluminum Tube	S = Surface	0 = None
		6		C = Column	R = Round
		8			

Ordering Example: LR-CO-8-A-S-R

Contour | LR-CO-8-T-S-R

# WASTE RECEPTACLES

## Freestanding and Column-mounted Receptacles

Brasco's waste receptacles are made from top grade aluminum or steel and are finished in a non-VOC weather resistant powder coat. We offer a variety of sizes for surface mounting or column mounting. All receptacles are made in the USA and designed with tamper resistant hardware.

### Standard Powder Coat Colors

Black      Coffee      Hunter Green

### Landscape

Steel waste receptacle for column mounting with optional flat lid. Includes center message band, interior retainer bands to secure bags, drainage holes, mounting bracket and weather resistant powder coat finish.

TR	Model	Gal.	Lid	Liner	Color
	LS	10 = 10G	0 = None L = Flat Lid	0 = None	BL = Black CO = Coffee GR = Hunter Green

Ordering Example: TR-LS-10-L-0-BL

### Landscape

Steel waste receptacles for column or surface mounting with optional flat or bonnet lids and interior plastic liners. Includes center message band, interior retainer bands to secure bags, drainage holes, mounting bracket and weather resistant powder coat finish.

TR	Model	Gal.	Lid	Liner	Color
	LS	20 = 20G 34 = 34G	0 = None L = Flat Lid B = Bonnet Lid	0 = None L = Liner	BL = Black CO = Coffee GR = Hunter Green

Ordering Example: TR-LS-20-B-0-BL

### Eclipse

Aluminum waste receptacle with optional flat lid, bonnet and liner. Sits atop a pedestal base and includes a center message band, drainage holes and weather resistant powder coat finish.

TR	Model	Gal.	Lid	Liner	Color
	EC	32 = 32G	L = Flat Lid B = Bonnet Lid	0 = None L = Liner	BL = Black CS = Custom

Ordering Example: TR-EC-32-B-L-BL

### Streetscape

26" Diameter, 33" H. Large freestanding steel waste receptacle with optional bonnet lid. Includes plastic liner, bottom drainage holes and weather resistant powder coat finish.

TR	Model	Gal.	Lid	Liner	Color
	ST	35 = 35G	0 = None B = Bonnet Lid	L = Liner	BL = Black CO = Coffee GR = Hunter Green

Ordering Example: TR-ST-35-B-L-BL

### Pillar

4.5 gallon steel fire safe cigarette receptacle available in 5 colors of a weather and UV resistant powder coat.

TR	Model	Gal.	Lid	Liner	Color
	PL	5 = 5G	0 = None	0 = None	CH = Charcoal GR = Hunter Green CO = Copper BL = Black SA = Sandstone

Ordering Example: TR-PL-5-0-0-CH

Landscape-10      Landscape-20      Landscape-34

Eclipse | Optional Bonnet Lid Shown

Streetscape | Optional Bonnet Lid Shown

Pillar | Charcoal, Hunter Green, Copper, Black, and Sandstone

# BIKE RACKS

## APBP Approved Aluminum Bike Racks

All Brasco bike racks are APBP approved designs, and made from aluminum so will never rust. They're powder coated in a standard powder coat or anti-vagrant powder coat. Select from a wide variety of RAL colors, or request a custom color match. All racks can be surface mounted or in-ground mounted to concrete.

Hitch | BR-H-S

### Hitch Bike Rack

Double hoop steel bike rack with the option to surface mount or inground mount. Round 2" frame with welded baseplate.

BR	Model	Material	Width	Base Dim.	Height	Mounting
H		Steel	16"	8" Square	36"	I = Inground S = Surface

Ordering Example: BR-H-S

Aspen | BR-A-S

### Aspen Bike Rack

Single hoop aluminum rack with the option to surface mount or inground mount. Square 2.5" frame with welded baseplate.

BR	Model	Material	Width	Base Dim.	Height	Mounting
A		Aluminum	18"	22" W x 6" D	36"	I = Inground S = Surface

Ordering Example: BR-A-S

Classic Hoop | BR-C-S

### Classic Hoop Bike Rack

Single hoop aluminum rack with the option to surface mount or inground mount. Round 2" frame with welded baseplate.

BR	Model	Material	Width	Base Dim.	Height	Mounting
C		Aluminum	18"	22" W x 6" D	36"	I = Inground S = Surface

Ordering Example: BR-C-S

Logo Hoop | BR-L-S-B

### Logo Hoop Bike Rack

Single hoop aluminum bike rack with welded aluminum logo plate. Available logos include a Bike, a Bike Rider or Custom logo.

BR	Model	Material	Width	Base Dim.	Height	Mounting	Logo
L		Aluminum	18"	22" W x 6" D	36"	I = Inground S = Surface	B = Bike R = Rider C = Custom

Ordering Example: BR-L-S-B

LED Bollard | BR-B-S-B

### LED Bollard Bike Rack

Double hoop aluminum rack with LED side illumination and logo topper, available with a Bike, Bike Rider or Custom logo. 4.5" round frame with welded baseplate. Surface mounting only. LED color options: red, green, purple, blue, white, yellow.

BR	Model	Material	Width	Base Dim.	Height	Mounting	Logo
B		Aluminum	10"	8" Dia.	42"	S = Surface	B = Bike R = Rider C = Custom

Ordering Example: BR-B-S-B

Brasco bike rack collection, demonstrating the LED illumination of the Bollard bike rack (BR-B-S-B). Ideal for campuses and other bike parking locations with limited security lighting. LEDs are available in white, yellow, purple, blue, green or red.
